

# ATDEC Infinite Mounting Possibilities

Flat screen ceiling mount | Medium weight

TH-1040-CTS / CTSW  
TH-1040-CTL / CTLW

-  VESA Suits 75x75 to 200x200mm (opt.support up to 400x400)\*
-  Suits displays up to 25kgs (55lbs)
-  User adjustable tilt & pan
-  User adjustable screen orientation
-  Quick Release mounting head
-  Flexible ceiling mount
-  Telescopic height adjustment
-  Allows pole rotation during installation
-  Supports POS/ touchscreen operation
-  Can be upgraded for two screens

The TH-1040-CT is a cutting edge ceiling mount with superior installation versatility and extended operational flexibility. It comes in different versions to suit a variety of drop lengths and décor with a design that allows extensive height and orientation adjustment. The product ships with a mounting head that suits a wide variety of VESA compatible screens and can be upgraded for dual displays. The head features a ball joint that allows tilt/ pan adjustment and landscape / portrait screen rotation. It features a Quick Release mechanism for easy installation and maintenance with a security screw to deter unauthorized removal. Once installed, your guaranteed a quality professional finish with fully integrated cable management, a dress cover to hide the ceiling connection and a clean pole without screw holes.

## Product key features:

- Allows telescopic height adjustment during installation:  
Short pole version: 400mm to 900mm (15.75" - 25.43")\*\*  
Long pole version: 900mm to 1800mm (35.43"-70.87")\*\*
- Allows 360° rotation around the pole for viewing angle adjustment during installation
- Quick Release mounting head with security screw for public area installation
- Integrated ball-joint allows +/-20° tilt/ pan and 360° screen rotation (user adjustable)
- Incorporates tension control for POS/ touch-screen support
- Flexible cable management with option to pass cables direct to cavity or exit at ceiling
- Supplied with all mounting hardware required for display attachment and ceiling installation
- Durable and stylish design with 10 year warranty
